

AKAL ACADEMY BASARKE

ANNUAL REPORT (2022-23)

In this session 2022-23, school provided offline study. Teachers put their hard efforts to cover study gaps of lockdown due to COVID. As a result students showed excellent result in all classes. Especially board class of grade 10th gave 100% result. All students scored high percentage. In spite of academic students participated in co-curricular activities. Inter- house competitions were held. Athletic meet was done and inter academy football tournament of boys and girls under-14 were held, in which Akal Academy Basarke scored First position. To save environment, tree plantation was done. PTA meeting were held time to time to discuss about the improvement of entire system. School management committee emphasized to cover study gaps which were created due to COVID- 19 without ignoring co-curricular activities. Ultimately, session ended by achieving desired goals and new session was announced to open on 01-04-2023.
